

Just a little **Crazy About Curves Supply List:**

Students are provided with a complimentary teaching pattern (dancing star or rose leaves).

Sewing machine is required (one capable of machine blindstitch ---^---^---^)

Sewing machine foot—please bring an **open-toe applique foot** if you have one!

Fabrics--100% cotton fabrics. Batiks and multicolored hand-dyed fabrics. Bring a variety of favorite fabrics and include all colors that pertain to a star or leaves in at least three values (light, medium and dark with a noticeable color contrast from a distance of approx.10 ft.) Choose colors that are vivid and bright, as well as some that are pastel (pale), shades (dark) tones (grayed) and the deepest dark colors. With this technique, you do not need fabric in large amounts— $\frac{1}{2}$ or $\frac{1}{4}$ yards, scraps or fat quarters will do.

Stabilizer—one yard of Pellon regular lightweight or mid-weight stabilizer (*not iron-on or tear-away*)

Freezer paper 1 yard

Needles (for sewing machine) use regular 80/12 for piecing

Scissors- paper and fabric

Extension cord (and an adapter, if necessary)

Steam iron and ironing mat or board

Spray bottle for water

Straight pins (sharp!)

Threads -bring a variety...for matching or blending the colors for star or leaves.

Bobbin wound with gray thread

Stitch Witchery only if you have it already (comes on a roll, about 5/8" wide)

Scotch tape, eraser, pencils, ruler, notebook

Please, don't forget your nametags!

This is a fun project. You are here to relax and learn an exciting new technique so please don't worry or agonize over fabric color choices.
